AYUSH SINHA

Bengaluru, Karnataka | +91 9708700626 | sinhaayush0806@gmail.com | LinkedIn | GitHub | My Portfolio

PROFESSIONAL SUMMARY

Recent B.Tech Information Technology graduate with a good foundation in Python, Core Java, C, SQL, and web technologies. Completed multiple internships with hands-on experience in full-stack application development and real-world project implementation. Quick learner with strong problem-solving skills, eager to contribute to innovative software solutions and grow in a dynamic engineering environment.

EDUCATION

BK Birla Institute of Engineering and Technology, Pilani, Rajasthan — 2022 – 2026
Bachelor of Technology in Information Technology

R.R Inter College, Vaishali, Bihar — 2020 – 2022
Class XII (Bihar School Examination Board)

Holy Cross Public School, Muzaffarpur, Bihar — 2020
Class X (Central Board of Secondary Education)

SKILLS

Programming Languages: Python, Core Java, C, SQL
Technologies (Hands-on Project Experience): JavaScript, TypeScript, HTML5, CSS3, PyQt, Tkinter, Git
Databases & Tools: MySQL, GitHub, VS Code, PyCharm, Jupyter Notebook, Qt Designer
Soft Skills: Strategic planning, Conflict Resolution, Seamless Communication, Coordination

PROFESSIONAL EXPERIENCE

Tech Intern | MindDhara, Gurugram (Remote) — Dec 2025 – Feb 2026
- Assisted with website updates, tool setup, and Google Workspace administration.
- Provided IT infrastructure support to improve digital operations and workflows.

Core Java Development Intern | Groot Software, Jaipur — June 2025 – July 2025
- Developed backend modules using Java and OOP in a structured team environment.
- Optimized code and improved deployment workflows following industry best practices.

Python Programming Intern | InternPe, Jaipur (Remote) — Apr 2025 – Apr 2025
- Built 4 applications (Tic Tac Toe, Snake Game, Connect 4, Digital Clock) using Python.
- Completed weekly technical challenges strengthening problem-solving and programming logic

Python Programming Intern | Internshala Trainings (Remote) — June 2024 – July 2024
- Developed PyQt GUI applications with SQLite integration.
- Applied Python in mini AI-based projects for practical learning.

Summer Intern | BKBIET, Pilani — June 2023 – June 2023
- Learned C fundamentals and built small applications using loops, arrays, and pointers.

PROJECTS

ResumeAI | TypeScript, React, Node.js, MongoDB,Clerk, Gemini API — *GitHub Link*
- AI-powered resume builder with intelligent content suggestions and ATS optimization features
- Integrated NLP for real-time feedback on resume content and formatting

NotesGem | TypeScript, React, Local Storage, Prisma, PostgreSQL, Gemini API — *GitHub Link*
- Feature-rich note-taking app with rich text editing, categorization, search, and responsive design

CERTIFICATIONS

Certifications: Core Java Development (Groot Software, 45 days) | Python Programming (InternPe, 4 weeks) | Programming with Python (Internshala, 6 weeks) | C++, Python, Java (IIT Bombay) | C Programming (BKBIET)

ACHIEVEMENTS

- Completed 7 industry-recognized certifications in C, C++, Python, and Java demonstrating continuous learning
- Built 10+ projects on GitHub showcasing full-stack development across multiple technology stacks
- Successfully completed 5 internships (1 on-site, 3 remote and 1 In-House) with measurable technical contributions
